## **REFLECTION**

Jesus told his apostles about the suffering he would endure. Peter, speaking for the group, simply couldn't believe that the great Messiah who would save Israel would have to go through such degrading events. Peter was thinking only in human terms and not about God's ways.

**Reflection for Families** Like most parents, we try to protect our children from life's crushing blows, or at least hold them off as long as possible. It hurts us to see our children suffer disappointments, rejections, losses or defeats. Sometimes the easier choice is the one that goes unnoticed. For example, a teen pregnancy that ends in abortion receives less attention than carrying the baby full term. Or not trying out for the position of pitcher is easier than having fans watch five walks in a row. Our children need our presence and support when they make the hard choices. We know from our own lives that they will grow from their experiences.

## **VOCATION VIEW**

Don't run away from what you are called to be. Christians take the less travelled road. "What does it profit us if we gain the whole world but ruin ourselves in the process?"

## **COLLECTION REPORT**
